A new florist is blooming in Didcot and Didcot Town Council's Mayor Cllr Margaret Turner will be officially opening Lilies Florist on Saturday 6th March.

For owner Karen Tatford her new business venture is a lifelong dream come true. Karen says: "I am extremely proud and excited that Lilies Florist has been transformed from a dream into reality and we are looking forward to serving our local community. We pride ourselves on creating artistic designs to suit all budgets and tastes." Working together with Karen will be Kay Douglas and between them they can boast over 40 years experience as florists.

Karen and Kay will be joined by Mayor Margaret and friends and colleagues at a special ceremony where a ribbon will be cut to celebrate the opening of the new florist.
